

Temporary Works Scaffold Design Brief

General Information			
Site Location			
Project Title			
TW Reference No.		Design Category (I, II, III)	
ELR		Mileage	
OS Grid Reference		Structure Number	
Is a site visit required by the design engineer? (if so please provide post code)			

Information Available			
Structure Drawings (PDF Format)	Y/N	Structure Assessments	Y/N
Structure Drawings (CAD Format)	Y/N	Geotechnical Data	Y/N
Outline Sketches	Y/N	Photographs	Y/N

Outline Description Of Scheme/Design Requirements

General Information							
Board Width		No. Inside Boards		No. Lifts		No. Lifts Of Boards	
Pavement Gantry	Y/N	Protection Fan	Y/N	Sheeting	Y/N	Debris Netting	Y/N
Load Class Information (tick relevant option)							
1 - (0.75kN/m ²)		2 - (1.5kN/m ²)		3 - (2kN/m ²)		4 - (3kN/m ²)	
Other Please Specify							
Tie Information (tick relevant option)							
Apollo		ADI		Hilti		Excalibur	
Box Tie		Girder Coupler Tie		Resin Tie		Buttress	
Other Please Specify							
Tie Base Material (tick relevant option)							
Brick		Concrete		Steel		Timber	
Other Please Specify							
Foundation Information (tick relevant option)							
Loose/Soft Earth		Packed Earth		Hardcore			

Temporary Works Scaffold Design Brief

Tarmac	<input type="checkbox"/>	Concrete	<input type="checkbox"/>	Steelwork	<input type="checkbox"/>
Other Please Specify					

Access Type (tick relevant option)					
Integrated Ladder Access	<input type="checkbox"/>	System Stair Tower Access*	<input type="checkbox"/>	External Ladder Bay Access	<input type="checkbox"/>
Other Please Specify	* Please Specify Manufacturer				

Additional Information/Hazards

Design Deliverables			
Drawings	<input type="checkbox"/>	Calculations	<input type="checkbox"/>
Designers Risk Assessment	<input type="checkbox"/>	Erection Methodology	<input type="checkbox"/>
Checker Calculations	<input type="checkbox"/>	Form F002 &/or F003	<input type="checkbox"/>
